On behalf of Mr.Scott Heatherington, Ambassador to the Baltic States:

Dear Candice,

We were approached by Nekaterina group regarding this exhibit earlier this year, when they asked for financial support, and I have to say we did not feel comfortable supporting this particular initiative

[REDACTED] Please see Franke James site "Fat Canada's Giant Litter Box" <http://www.frankejames.com/debate/?p=964>.

We do not support private campaigns, [REDACTED]

Sincerely,

Scott Heatherington"

This message, which was copied to the other posts who had received Candice's July 8 email, prompted one to ask us/Candice for guidance:
